## Hello Enforcement Officer!

With permission from William Stelly at LADOT, Permit Parking Restrictions have been lifted on this street until 9pm for an event at Gardner Street School.

(Now please don't give me a ticket.)

The logo for Gardner Street features the words "GARDNER" and "STREET" in a bold, sans-serif font. Each letter is filled with a different color, creating a vibrant, multi-colored effect. The colors include shades of blue, green, yellow, orange, red, and purple.
